Forest Protection Bureau

NWCG Courses Planned for 2024

- S-130 Blended Basic Wildland Firefighter @ Bear Brook State Park-Allenstown, NH June 1, 2024.
- S-212 Wildland Fire Chainsaws @ North Country Resource Center-Lancaster, NH September 17-19, 2024.
- S-130 Blended Basic Wildland Firefighter @ Fox State Forest-Hillsborough, NH July 13, 2024.
- S-130 Full Course-Basic Wildland Firefighter @ Bear Brook State Park-Allenstown, NH September 14, 15, 21, 2024.
- FI-110 Wildland Fire Observations and Origin Scene Protection for First Responders-Bear Brook State Park-Allenstown, NH October 19, 2024.
- All courses have limited seats available and will be filled on a first-come, first-served basis. The course announcements will be posted on the division website and emailed to Forest Fire Wardens, Deputy Wardens, Wildfire Crew Team Members, and interested individuals upon request. This will occur approximately 30 days prior to the scheduled course date during which the window opens for nomination forms to be submitted. Nomination forms will not be accepted for any of the courses prior to the announcements being posted and distributed. The nomination period will be specified on each course announcement. When a course is full, that information will be noted on the agency website.
